Welcome & Agreement Guidelines for 2025:

Dear Artisans,

Thanks so much to all of you who did my fairs in 2024! We had a great year with awesome attendance! As always, I am looking for quality handcrafts and art. If you are new, please email or send me 2 or 3 images of your workmanship for the jurying process. Please check the fairs that you are signing up for on the left side of the application. I am pleased to offer you 13 fairs.

In all fairs except Nashua, you have the option of signing up for 3 space sizes: 10X10, 15X10, or 20X10. In all the outdoor fairs except for the Tanger Outlets, you also have the option of renting space under my big tent. Please send in a \$50 deposit check or money order for each fair payable to Joyce Endee or you may send the full amount. You may use one check for multiple fairs. Please mail in the balance a month before the fair. All fairs are held rain, snow, or shine.

Guidelines for 2025: I agree to: 1) Only sell items listed on this application; 2) Agree to remain setup for the duration of the fair or be barred from future fairs without a refund; 3) Conduct myself in a proper business manner and dress in appropriate business clothing; 4) Agree that a deposit is a commitment to a fair and is not refundable; 5) Agree to secure my tent with at least 40 pounds on each leg & to lower my tent or take it down before leaving if Joyce or her representative asks me to do so for safety purposes; 6) Agree to submit photos for online jurying purposes.

Demonstrations/Setup/Security: Joyce's Craft Shows has always encouraged demonstrating some aspect of your artwork or crafts. I encourage each of you to demo at each fair to emphasize your creativity and your American-made crafts or artwork. I often give extra space and/or premium space to those vendors who demonstrate for the attendees. There is a setup the day before on all fairs except Nashua as well as overnight security.

Secure Your Tent/Insurance: For your safety and protection and the safety & protection of others, it is imperative that you secure your tent with some effective combination of tent spikes, doggie tiedowns, ratchet straps, 40+ pound weights on each leg, etc. If you cannot effectively secure your tent, you must either take it down completely before you leave at night or lower it to no more than 2 feet above the ground. Remember, you are liable if the wind damages your tent & then your tent damages another tent or property. You are responsible to pay for damages to another person's tent if your tent damages another person's tent, inventory or property. So, anchor your tent or lower it completely. Liability insurance is required for all food vendors with Joyce Endee & Joyce's Craft Shows, LLC, listed as an additional insured. Liability insurance is not required for artisans, but I do recommend that you purchase liability insurance for the whole year of fairs to protect yourself & reduce stress. Brewster Academy no longer requires insurance.

Peace, love, good health & prosperity to all of you in 2025. I will always do my very best to help you succeed with major advertising and effective layouts. I hope and pray we will all have a great year! I look forward to working with you! God bless you & God bless America!

Warmest regards,
Joyce
